Love at first site baby) Love at first site as I gaze into
ure eyes u gaze

right back in mine and now ure changin ure mind
almost every single time and I

don't know why ooh yeah

now i am a human being i am strong and u are weak
both from love together

forever we will be mm mm yeah check it out now

as i look across da room and gaze into ure eyes oops u
undone ure flies

do them up now can't u c i'm trying to sing a song here
to make u relise u

hypnotise me u mystify me sayin dis is how i feel about
u and only u
