Won't be mistaken with the saints of youth
God's backed up again
I swear when I scream
We're not home again

Run from your probelms, but you cannot run from
yourself
Run from your problems, but you cannot run from
yourself
You'll take this back

Broken I've lied
Pick up the pieces
You'll try to live for yourself
How can you live for yourself?
Live as you wish but live as if you'll die today

I won't stop until I can reach out and get this off my
chest
A sense of direction to lead you home again

Mind your tougne and save your breath for someone
else
You won't believe me; we're not the same
Cause I dig and I dig you too

Confirmed in writing
I will fight for the sake of you
I will fight for this!

Dream if you'll live forever
Dream for me

Broken down I've tried to pick up the pieces
You've lied
You live for yourself
Yourself
