Solo #1:

Out of your dreams and into his arms
You long to fly

Solo #2:

You don't need *egyption smellin' salts to tell you why.*

Solo #3:

Out of your dreams and into the hush
Of fallin' shadows

Solo #4:

When the mist is low
And stars are breakin' through

Solo #5:

Then out of your dreams you'd go

Girls' Chours:

Into a dream come true, oh!

Make up your mind, make up your mind Laurey,
Laurey dear,
Make up your own, make up your own story,
Laurey dear!
Old parohs duaghters won't stop just to tell you what to
do
Ask your heart, whatever it tells you will be true
Oh... Ooh ooh oh!

Laurey:

Out of my dreams and into your arms
I long to fly
I will come as evening comes
to woo a waiting sky
Out of my dreams and into the hush
Of fallin' shadows
When the mist is low
And stars are breakin' through
Then out of my dreams I'll go
Into a dream with you...

Out of my dreams and into your arms
I long to fly
I will come as evening comes
To woo a waiting sky
Out of my dreams and into the hush
Of fallin' shadows
When the mist is low
And stars are breakin' through
Then out of my dreams I'll go
Into a dream with you...
