La vita fugge et non s'arresta una hora,  
et la morte vien dietro a gran giornate,  
et le cose presenti, et le passate  
mi danno guerra, et le future anchora;  
e 'l rimembrare et l'aspettar m'accora  
or quinci or quindi, si che 'n veritate,  
se non ch'i' ho di me stesso pietate,  
i' sarei gia di questi pensier' fora.  
Tornami avanti s'alcun dolce mai  
ebbe 'l cor tristo; et poi da l'altra parte  
veggio al mio navigar turbati i venti;  
veggio fortuna in porto, et stanco omai  
il mio nocchier, et rotte arbore et sarte,  
e i lumi bei, che mirar soglio, spenti.

If I could stop time...  
How many things that I would change from the past  
I'd set my life right

If I could live forever  
How many emotions I would learn to control  
And feel what I want

Time is running too fast for me  
You can't stop its course  
Never surrender, I'll sleep when I'm dead  
Time is moving along too fast  
I can't think straight  
Won't take all the time that I need  
If I try I'll always be late

I wanna kill time  
Win my own war to survive  
Only a chance... I'd surely not fail

Time is running too fast for me  
You can't stop its course  
Never surrender, I'll sleep when I'm dead  
Time is moving along too fast  
I can't think straight  
Won't take all the time that I need  
If I try I'll always be late

Time is running too fast for me  
You can't stop its course  
Never surrender, I'll sleep when I'm dead  
Time is moving along too fast  
I can't think straight  
Won't take all the time that I need  
I'll always be late
