"The Final Countdown"

We're leaving together,

But still it's farewell

And maybe we'll come back,

To Earth, who can tell ?

I guess there is no one to blame

We're leaving ground

Will things ever be the same again ?

It's the final countdown...

The final countdown...

We're heading for Venus and still we stand tall

Cause maybe they've seen us and welcome us all

With so many light years to go and things to be found

I'm sure that we'll all miss her so.
