### "A certain smile"

A certain smile, a certain face  
Can lead an unsuspecting heart on a merry chase  
A fleeting glance can say so many lovely things  
Suddenly you know why my heart sings

You love awhile and when love goes  
You try to hide the tears inside with a cheerful pose  
But in the hush of night exactly like a bittersweet  
refrain  
Comes that certain smile to haunt your heart again

instrumental break-first two lines of second verse

But in the hush of night exactly like a bittersweet  
refrain  
Comes that certain smile to haunt your heart again
