Men who come and go without remark
Eyes so warm, their smiles flash in the dark
Whispering love to me
Je t'adore ma cherie
Baby was it you or was it me?
When I'm by myself I think of you
I wonder if you feel the way I do?
I have my fantasies...
N'importe quoi, c'est la vie
I never had a chance to make you see
(chorus)
Forget tomorrow
Beg steal or borrow
One more hour before we say good bye,
Never asking why
Mon cherie, c'etait une belle epoque
A beating heart, the ticking of the clock
You stand before my eyes
Echoes of whispered lies
Love was only endless at the time
(chorus)

Forget tomorrow
Beg steal or borrow
One more hour before we say good bye,
Never asking why
Mon cherie c'etait une belle Ã©poque
A beating heart, the ticking of the clock
There's more to love than truth
So blame it on my youth
Love was only endless in my mind
(chorus)
Forget tomorrow,
Beg steal or borrow,
One more hour before we say goodbye
