When you're bad what do they do?

CALL THE BOOGIE MAN

He gives your spirit altitude

He makes you understand

Gotta fever, gotta style, gotta groove

Swing round, so go down

He's the bad cat called Boogie

He's the big cheese

When he blows upon his horn, he brings you to your knees

Preachin' jive and harmony

You break down, so go down

Halleluiah daddy

Boogie is the word

Amen to that jump'n jive

Rock n' roll is heard

I wanna meet the boogey man

I wanna meet his wife

Swinging with the bad cats the rest of my whole life

Don't wanna pay no tax, don't want my preacher to know

So daddio

Lemme go -- SWING!!!!!!!!!!

Halleluiah daddy

Boogie is the word

Amen to that jump'n jive

Rock n' roll is heard

I wanna spend eternity, swingin' in boogeyland

So I smoke and drink and fight

Waitin' for the man

Cause if I'm very, very bad

He'll swing round - TAKE ME DOWN
