If love is easy, then why'm I a wreck?

I get the feelin' I'm losin' effect.

A little kissin', is what I been missin'

Where you been lately?

If you stay out late and leave me alone

Just leave a message - throw me a bone

A little sugar, would go so much further

Love me like candy

(chorus)

Thought that I was ready

When you said you'd marry me.

I bought a cookbook and a teddy

Everything a gal could need - at least I thought so baby

Now it don't matter if I love the man

Won't waste my time plantin' seeds in the sand

Cause its the lovin' that heats up the oven

I melt like candy

(Chorus)

Thought that you was ready

When you said you'd marry me.

Now you're misbehavin'

Every night I'm praying please - I want another lover

Cause I am itchin' for some sympathy

And where I get it, don't matter to me.

You make me crazy, forget I'm a lady?

Love me like candy
