Where did you go when things went wrong , baby,
Who did you run to, to find a shoulder to lay your head
upon,
Baby, wasn't I there, didn't I take good care of you,
no, no I can't believe your leaving me...

Stay with me baby (baby please stay)
Stay with me baby
Stay with me baby
I can't go on

Who did you touch when you needed tenderness
(tenderness)?
I gave you so much and in return I found happiness
Baby, what did I do?
Maybe I was too good, too good to you,
No, no, no I can't believe your leaving me...

(Stay) My baby now stay with me,
I'm begging you to stay now,
I'm begging you to stay (begging you to stay with me
baby)
With me baby, I cant go on
Stay with me baby (Stay with me baby)
I'm begging you to please dont go now baby (with me
baby)
I cant go on, I cant go on, I cant go on, no no no no...
