Mama doesn't like when I sin so well  
Heaven's kinda far but I swear that when I'm coming  
it's close  
Cuz we sin so well  
Lead us not into temptation  
Oh but what a way to go

Oh my flesh has got control of me  
I'm human and by nature weak  
Cuz humans make it hard to be so holy  
Oh angels close your eyes to this  
My conscience can't compete with him  
Yes I'm losing, please forgive me

Mama doesn't like when I sin so well  
Heaven's kinda far but I swear that when I'm coming  
it's close  
Cuz we sin so well  
Lead us not into temptation  
Oh but what a way to go

Oh heaven help this tendency  
It's not the way I learned to be  
But being bad is such a guilty pleasure  
Oh what shall be the consequence  
When all they've taught I've gone against  
And knowing all this still I go again

Mama doesn't like when I sin so well  
Heaven's kinda far but I swear that when I'm coming  
it's close  
Cuz we sin so well  
Lead us not into temptation  
Oh but what a way to go

Where do I land if I fall from grace  
Will I be redeemed if I seal my fate  
I'll do my penance and rosary  
But will you pray for my purity

Mama doesn't like when I sin so well

Heaven's kinda far but I swear that when I'm coming  
it's close  
Cuz we sin so well  
Lead us not into temptation  
Oh but what a way to go

When I sin so well  
Heaven's kinda far but I swear that when I'm coming  
it's close  
Cuz we sin so well  
Lead us not into temptation  
Oh but what a way to go (repeat 2x)
