Brand New

Brand new, it's brand new for you
Brand new, it's brand new for you
Brand new, it's brand new for you
Brand new, it's brand new for you

Deep inside you will find
Something that you won't mind
Think about diamond rings and goldfronts combined
Then go back go way back
Something passed that you lack
Well I've got brand new
A scooby snack just for you

Brand new, it's brand new for you (x4)

Sabrosa

Brand new, it's brand new for you (x4)
