You and me, and all the memories  
You and me, were always meant to be  
You'll see, that baby your the one  
Always in my wildest dreams  
No matter what you say  
I'll always be your girl  
Deep in my heart, deep in my soul  
I want you to know, I need you to know..

Chorus:

I'm crazy, crazy over you  
Baby yes its true, i'm crazy over you  
I'm so crazy, crazy over you  
Oh baby yes its true, i'm crazy over you

Without you it dosn't mean alot  
Our love is everything we got  
I know that baby your the one  
Always been my fantasy  
No matter what you say  
I'll always be your girl  
Deep in my heart, deep in my soul  
I want you to know, I need you to know..

Chorus

No matter what you say  
I'll always be your girl  
Deep in my heart, deep in my soul  
I want you to know, I need you to know..

Chorus

Its a feeling in my heart, a feeling in my mind  
Keeps coming back, time after time  
No matter what you say, no matter what you do  
It keeps coming back, i'm crazy for you

Your the only one i'm thinking of  
Give me your love, that sweet sweet love  
I'm crazy for you, crazy for you

Repeat (1x)

Crazy over you
