[MCA] People how you doing there's a new day
dawning
[M.D] For the earth mother it's a brand new morning
[Adr] For such a long while there's been such a longing
[All] BUT NOW THE SUN IS SHINING LET'S ROLL BACK
THE AWNING

[MCA] This is a type of kinda like a formal dedication
[M.D] Giving out a shout
[Adr] for much inspiration
[M.D] All I ever really want to do is GET NICE
GET LOOSE and goof MY LITTLE SLICE OF LIFE
[MCA] Sendin' out love to all corners of the land
[Adr] I jump up on the stage and take the mic in my
hand
[M.D] I'm not playin' the roll
[Adr] just being who I am
[MCA] And if you try to dis me I couldn't give a damn

{Scratching}
*Cause I'm Rockin, Rockin', Rockin', Rock, Rock,
Rockin'*

Yeah *Get Down*

*Rock, Rock, Rock on, Rock, Rock, Rock on, Rock, Rock,
Rock on*

*Mic, Mic, Mic Control, Mic, Mic, Mic Control,
Mic, Mic, Mic, Mic Control*

Can you get my drift?

[MCA] Bass from the back of my car feels soothing
[Adr] Eight bazookas is what I'm using
[M.D] I'm Mike D and it's been proven
[All] I LOVE IT WHEN I SEE THE PARTY PEOPLE JUST
MOVIN'
[MCA] Strapped on the ear goggles and what did I see?
[All] BUT THE MUSIC BROUGHT THE PEOPLE INTO
HARMONY

{*Scratching*}
