Now my name is Adrock I've got a story to tell  
And when I rock the crowd the crowd we all yell  
And when I get the feeling I feel the feel swell  
And when I start to rhyme well I rhyme the rhyme well

Oh you didn't know I got the flow  
I could sing, rap, dance in just one show  
With the cornbread stuffin' with the Blimpie Bluffin  
Mother fuckin' Yosi with his goddamn muffins  
Hey could you please pass me the peas  
And let me get a tissue if you think your're gonna  
sneeze  
I'm the player and the coach I'm no roach  
I bought my grandma a brand new brooch

Well I'm MCA with a story to tell  
When I rock the crowd I rock the crowd well  
And when I get the feeling I feel the feel swell  
'Cause when I start to rhyme well I rhyme the rhyme  
well

'Cause I'm a craftsman, who ain't fastin'  
I'll take you to task everyone of y'all draftsman  
I'm rehashin' and ain't maskin'  
Bringin' the beat back and keepin' it lastin'  
Keepin' it top notch, beyond passin'  
Simmer in the pan 'cause, I ain't a flashin'  
I'm party crashin' so you better batten  
Down those hatches stop procrastin-

Well I'm Mike D with a story to tell  
And when I rock the crowd the crowd we all yell  
And when I get the feeling I feel the feel swell  
'Cause when I start to rhyme I rhyme the rhyme well

Went to the top and never went pop and  
Came back down but still not stopping  
I'm not even asking, "Yo what's cracking?"  
Serving MC's on a platter like baked alaskan  
So start packin' because I'm back in  
The game of hiphop representin' Manhattan

Now push the pause button then start ducking  
Shhhhh you heard me like I'm E.F. Hutton, E.F. Shhhh  
WELL  
Hutton shhhhhhhh, Hutton shhh, Hutton shhhhhhhh  
Hutton SHHHHHHHHH!!!!

Shhhh you heard me like I'm E.F. Hutton  
E.F. shhhh Well  
Hutton shhhh Well  
Hutton shhhh Well  
Hutton shhhh Well  
Hutton shhhh Well
