Alright...
Alright...
First of all

When you wake up in the evening and the day is shot
Find yourself complaining about the things you ain't
got
Never goes just the way you want it to
Cliché of the day, c'est la vie, that's just life
It ain't easy, it's so tough, it's so easy

Chorus:
(Whatcha gonna do, say, whatcha gonna do)
Put a smile on your face
Make the world a better place
Put a smile on your face
(Whatcha gonna do, say, whatcha gonna do)
Put a smile on your face
Make the world a better place
Put a smile on your face
(Whatcha gonna do, say, whatcha gonna do)

And another thing
You can say I'm a dreamer and you thinks it's all cool
Preaching about the better life I learned in school
But you get what you give in this life that we live
And all that you do will come back to you

Chorus

[Lady Saw]
Yo
When thing's isn't right, there's not need to fight-a
(?), and everything nice (?) Please be polite even when
you're hurting
Don't forget to smile
Give love to our nation, big or small
When you do good, you'll get your reward
United with undivided we fall
Put a smile on your face and greet one and all

Life, it ain't easy, oh it's so tough, it ain't easy

Chorus X2

People love you when you smile
And hate you when it's through
Lots of happiness, (?) we are wishing you
If you come from Jamaica or Honolulu, yeah
Keep a smile on your face
I'll see the good that you do, (?)
Smile (smile), and everything will be fine
Love it when you smile, you look beautiful like that
(?), Your dimples are so cute, hahah
I love the happiness and..smile
