### "The Grasshopper Unit"

Visit "[The Grasshopper Unit](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Dear Alex and Marilyn  
They're Lovey and Thurston howellin'  
The grasshopper unit is prowellin'  
And Rufus is back home growellin'  
For all of y'all that are dozin'  
On Hornblower's lederhosen  
Like Walt Disney he'll be frozen  
And then the Swiss Hall of Fame he goes in  
Cause when he's out in space carousin'  
Pick up my mic and start joustin'  
His name plate medallion  
Says never trust a Hal 9000

Can't, won't, don't stop  
Can't, won't, don't stop

Check the horizontal hold and check the tint  
Are these three fools back at it again?  
Inspector Clouseau and Derek Flint  
Nothin but sparks ignitin'  
Check two one two mic testin'  
This one goes out to Dechen  
Rise fallen fighters take your stance again  
Don't think too much about the color of skin  
Order in vegetarian' shark's fin  
Try to keep my life non-violent  
Mario, rewind the tape and "punch me in!"  
Like Chuck D with the where you never been I'm in

Can't, won't, don't stop  
Can't, won't, don't stop

"I'm a long way from where I've been but I gotta keep  
movin'"  
"Movin' 'long"

Ooh my my I'm really not feeling it  
Ooh my my something's really wrong  
Ooh my my I'm really not feeling it  
Ooh my my something's really wrong

The PA sound is deafenin'  
Bitin' MCs I'm oustinin'  
With spinach in your teeth you're grinnin'  
So on your way out please take a mint  
Got the studio to throw a craze in  
The basslines Yauch just lays in  
This song is the grass you're grazin'  
Add a little flange and phase in  
Don't get mad 'cause I'm beguilin'  
I'm off the hook so don't bother dialin'  
They're gonna put me in the B-I-N  
And if I die notify the next of kin

It's like that y'all (x8)  
Can't, won't, don't stop
