I don't wanna hurt you baby  
You really love me but you don't really know me  
I don't wanna hurt you baby  
Want another ride not a backseat drive

I...need  
I...something inside that you can provoke me

Chorus  
'Cause I got the itch again  
I need to get tricked again  
This is gonna twitch you again  
I feel the itch again  
'Cause I got the twitch again  
I need to get tricked again  
This is gonna hurt you again  
I feel the itch again

I don't wanna hurt you baby  
You really love me but you can't really hold me  
What I wanna do, is crazy  
I wanna be hold but I'm not for show

I...need  
I...was I good but I can't be good

Chorus  
'Cause I wanna go down  
Wanna feel my heart  
Don't you know that I can't resist  
You can't reach me when I need scratches  
I feel the itch again

I...need  
I...something inside that you can provoke me

Chorus x2

I feel the itch again
