Iâ€™m a stupid women and I donâ€™t have a job
the one i have is beauty and with it I earn money
last night next to me parked a snob
and asked me:"Have you joy?", I said : "YEAH !"
and went in

when he opened the door,
when he opened the door.

He took us to his house I asked howâ€™s about
prevention
"We need no condom, I pay attention!
I have no AIDS, my little sugarmouse!
So we have Sex without it and he wanted more
he wanted more
he wanted more

Iâ€™m a whore, Iâ€™m a whore, open the door
â€™cause Iâ€™m a whore, I'm a whore, open the door
â€™cause...
â€™cause...

Next morning I had to walk home alone
â€™cause he had overslept and couldnâ€™t drive me
home
I felt very bad, but nevermind, I had the money
for this night
But I need the money â€™cause I havenâ€™t food in store
in store
in store

â€™cause Iâ€™m a whore...

I must give for evâ€™ryone, â€™cause I'm a whore
I must give for evâ€™ryone, â€™cause Iâ€™m a whore...
