i like fast cars
and Candy Bars
i like you

i like staying out
and sleeping in
i like you

but when you get so close to me
i don't know what to do

it's like boom
like boom
like boom

i like milkshakes
and lots of bass
i like you

i like wolverine
and james dean
i like you

my pulse shoots straight up to the moon
when you're in the room

it's like boom
like boom
like boom

and it's all because of you
yeah yeah

my friends say i'm crazy
they all try to save me
there is nothing they can do whoa oh

everyone else is borin'
not even worth ignorin'
it's just what i'm addicted to whoa oh

whoo!

it's like boom

i like blue jeans
and Trampolines,
i like you

i like Cartoons
and full moons,
i like you

it doesn't matter what you say
cause everything you do

is like boom,
like boom,
like boom

i like 808's
and chocolate cake,
i like you

i like saturdays,

Hear what i say,
i like you

my pulse shoots straight up to the moon
when you're in the room

it's like boom,
like boom,
like boom

and it's all because of you yeah yeah

my friends say i'm crazy
they all try to save me
there is nothing they can do whoa oh

everyone else is borin'
not even worth ignorin'
it's just what i'm addicted to whoa oh

everyone else is boring
not even worth ignoring
it's just what i'm addicted to whoa oh

whooh!
it's like boom
it's like boom

what can i say
what can i do
everything's louder when i'm next to you

feels like i'm shakin'
room is earthquakin'
feels like the whole world is 808'in

my friends say i'm crazy
they all try to save me
there is nothing they can do whoa oh

everyone else is borin'
not even worth ignorin'
it's just what i'm addicted to whoa oh

everyone else is borin'
not even worth ignorin'
it's just what i'm addicted to whoa oh

it's like boom
it's like boom
