Descending into hell..... Jesus Christ is no more!
Riding out the demon locust
War horses of Hell.....
Penetrating the blazing heat
Where wicked angels dwell.....
Cast to earth unleashing apells
Devouring your souls.....
Christian doctrine of false belief
God is bound in Hell.....
Bow your heads to the supreme God
Lord of darkness.....
Seduced nations denying Christ
Satan leads the aggression.....

Abbadon leader of locus spawn
Destroyer of all Christianity
Rebellel from Heaven into sin
Master imitator dethrone God

Descent into Hell..... identify those of the trinity
Rebel father seeks..... to replace the creator
The tempter son invites..... man to imitate God
Colladorator, comforter..... torments men no earth
Satan..... Keeper of the pits of Hell!
Christ..... Judgement day has fell!
Satan..... Waiting for the battle's end!
Christ..... Your time is near and over!
