I was not created  
In the likeness of a fraud  
Your hell is something scary  
I prefer a loving god  
We are not the center  
Of this funny universe  
And what is something worse  
I do not serve  
In fear of such a curse

Shallow be thy name  
2000 years look in the mirror  
You play the game of shame  
And tell your people live in fear

A rival to the way you see  
The bible let him be  
I<sup>1</sup>m a threat to your survival  
And your control company

Chorus :  
You<sup>1</sup>ll never burn me  
You<sup>1</sup>ll never burn me  
I<sup>1</sup>ll be your heretic  
You can<sup>1</sup>t contain me  
I am the power free  
Truth belongs to everybody

To anyone who<sup>1</sup>s listenin<sup>1</sup>  
You<sup>1</sup>re not born into sin  
The guilt they try and give you  
Puke it in the nearest bin

Missionary maddness  
Sweep up culture with a dream  
Trashing ancient ways  
Is par for the course  
It<sup>1</sup>s fucking rude

To think that you<sup>1</sup>re above  
The lows of nature is a joke

Purple sasljies feeding masses  
Smoke on which to choke

I might be a monkey  
When it comes to being holy  
Fundamental hatred  
Get down on your knees and

Chorus
