"Aeroplane"

Looking in my own eyes
I can't find the love I want
Someone better slap me
Before I start to rust
Before I start to decompose
Looking in my rear mirror
Looking in my rear mirror
I can make it disappear
I like pleasure spiked w/pain
Music is my aeroplane
It's my aeroplane
Songbird sweet and sour Jane
It's my aeroplane
Sitting in my kitchen
I'm turning into dust again
My melancholy baby
The star of mazy must
Push her voice inside of me
I'm overcoming gravity
I'm overcoming gravity
It's easy when you're sad to be

Just one note

Could make me float

Could make me float away

One note from

The song she wrote

Could fuck me where I lay

Just one note

Could make me choke

One note that's

Not a lie

Just one note

Could cut my throat

One could make me die
