Psychic spies from China

Try to steal your mind's elation

Little girls from Sweden

Dream of silver screen quotations

And if you want these kind of dreams

It's Californication

It's the edge of the world

And all of western civilization

The sun may rise in the East

At least it settles in the final location

It's understood that Hollywood

sells Californication

Pay your surgeon very well

To break the spell of aging

Celebrity skin is this your chin

Or is that war your waging

Chorus:

First born unicorn

Hard core soft porn

Dream of Californication

Dream of Californication

Marry me girl be my fairy to the world
Be my very own constellation
A teenage bride with a baby inside
Getting high on information
And buy me a star on the boulevard
It's Californication
Space may be the final frontier
But it's made in a Hollywood basement
Cobain can you hear the spheres
Singing songs off station to station
And Alderon's not far away
It's Californication
Born and raised by those who praise
Control of population everybody's been there
and
I don't mean on vacation
Chorus
Destruction leads to a very rough road
But it also breeds creation
And earthquakes are to a girl's guitar
They're just another good vibration
And tidal waves couldn't save the world
From Californication
Pay your surgeon very well
To break the spell of aging

Sicker than the rest

There is no test

But this is what you're craving

Chorus
