There must be something
In the way I feel
That she don't want me to feel
The stare she bares cut me
I don't care
You see so what if I bleed
I could never change
Just what I feel
My face will never show
What is not real
A mountain never seems to have
The need to speak
A look that shares so many seek
The sweetest feeling
I got from you
The things I said to you were true
I could never change
Just what I feel
My face will never show
What is not real
I could have lied I'm such a fool

My eyes could never never never (chorus)

Keep their cool

Showed her and I told her how

She struck me but I'm fucked up now

But now she's gone yes she's gone away

A soulful song

That would not stay

You see she hides 'cause she is scared

But I don't care

I won't be spared

(repeat chorus part x 2)
