Me and my, me and my, me and my,

me and my, me and my friends

Like two sweet peas

in an even sweeter pod

that's my friend

and my friends's named Bob

like the devil knows hell

I know Bob well

well enough to tell you

'bout his 67 smells

well enough to tell you

he's a hell-a-swell fellow

well enough to tell you

that we know each other better

than we know our selves

like freaks of a feather

we rock together

I know Bob well

but I think he knows me better

Me and my, me and my, me and my,

me and my, me and my friends

He's as close to me  
as a friend can be  
I'll be standin' by my buddy  
he'll be standin' by me  
just another half of  
the two headed freak  
but I need him like  
my heart needs to beat  
at this point  
in this friendly verse  
I've got to sing a little something  
that I haven't rehearsed  
it's about my man  
and his name is Hillel  
for who my love  
is woul brother sacred  
take it hickleberry  
slim boy take it  
Me and my, me and my, me and my,  
me and my, me and my friends  
Jacky's eyes are closed  
but he's right on course  
because he's guided by  
the invisible force  
he drives a kooky green chrysler

bad as anybody's porsche

he's a working class drummer

he's as strong as a horse

Me and my, me and my, me and my,

me and my, me and my friends
