My friends are so depressed

I feel the question

Of your loneliness

Confide..., 'cause I'll be on your side

You know I will, you know I will

X Girlfriend called me up

Alone and desperate

On the prison phone

They want... to give her 7 years

For being sad

CHORUS:

I love all of you

Hurt by the cold

So hard and lonely too

When you don't know yourself

My friends are so distressed

And standing on

The brink of emptiness

No words... I know of to express

This emptiness

CHORUS

Imagine me taught by tragedy

Release is peace

I heard a little girl

And what she said

Was something beautiful

To give... your love

No matter what

CHORUS
