Deep inside of a parallel universe

It's getting harder and harder

To tell what came first

Under water where thoughts can breathe Easily

Far away you were made in a sea

Just like me

Chorus:

Christ I'm a sidewinder I'm a

California King

I swear it's everywhere

It's everything

Staring straight up into the sky

Oh my my a solar system that fits

In your eye Microcosm

You could die but your never dead spider web

Take a look at the stars in

Your head fields of space kid

Chorus x 2

Psychic changes are born in your heart

Entertain

A nervous breakthrough that makes us the

same

Bless your heart girl

Kill the pressure it's raining on

Salty Cheeks

When you hear the beloved song

I am with you

Chorus x 2
