Intro:  
Dance! Dance! Dance! Dance!

Ask your mom and your daddy  
Can you go out tonight  
When the stars are bright  
Beneath the pale moonlight  
Ask your mom and your daddy  
Can you go out tonight  
We gonna dance by the light of the moon

Ooh, by the light, by the light, of the silvery moon  
We gonna dance by the light of the moon  
By the light, by the light of the silvery moon  
We gonna dance (dance)

I got a dollar in my pocket  
Gonna keep the juke a-rockin'  
Keep the juke a-rockin'  
'Till she wears out her stockin'  
Got a dollar in my pocket  
Gonna keep the juke a rockin'  
Dance by the light of the moon

Ooh, by the light, by the light, of the silvery moon  
We gonna dance by the light of the moon  
From the light, from the light of the silvery moon  
We gonna dance (yeah)

I'm gonna dance with my darlin'  
With a hole in her stockin'  
Knees keep a-rockin'  
Toes keep a-poppin'

Gonna dance with my darlin'  
With a hold in her stockin'

Dance by the light of the moon

Ooh, by the light, by the light, of the silvery moon  
We gonna dance a-by the light of the moon  
By the light, by the light, of the silvery moon  
We gonna dance (yeah)

(Instrumental & sax)  
Dance, dance, oh the silvery moon  
Dance, dance, oh the silvery moon

(Yeah-Yea!)

I'm gonna dance with my darlin' with the hole in her  
stockin'  
Knees keep a knockin'  
Toes keep a-poppin'  
Gonna dance with my darlin' with the hole in her  
stockin'  
Dance by the light of the moon

Ooh, by the light  
(By the light, of the silvery moon)  
C'mon now, baby (yeah)  
By the light of the moon  
By the light, by the light, of the silvery moon  
We gonna dance  
(Yeah!)

(By the light, of the silvery moon)
