You don't need to be 6-foot three \* You don't need to be  
friends with me \* You don't need to be on the internet  
\* Cruising round the halls like the teachers pet \* You  
You don't need to run a marathon \* Fly a jet or have a big  
hit song \* Don't always need to have your way \* Double  
down or make a triple play \* Do what you wanna do \*  
Whatever whatever whatever you you choose \*  
Everybody wants to tell you what to do \* Just do what  
you wanna  
do \* Whatever whatever whatever you do \* If you want  
to get to me you've got to get to you \* You don't need  
to  
have a navel ring \* You don't need to be able to sing \*  
You don't need to have a big tattoo \* Hangin' with the  
boys like the last tycoon \* You don't need to be in the  
Guinness Book \* Be in therapy or a gourmet cook \*  
Don't need to win the Nobel Prize \* Play it safe or order  
super size \* Do what you wanna do \* Whatever  
whatever  
whatever you choose \* Just do what you want to do \*  
Whatever whatever  
whatever you do \* Everybody wants to tell you what

to do \* If you want to get to me you've got to  
get to you \* This is only life to lead \* Make sure  
you're doing what you please \* Respect yourself  
express  
yourself \* Let yourself go \* You know there's nothing  
you can't do \* You don't need to be double-jointed \*  
You don't need to be royalty \* You don't need to  
have a photographic memory \*  
Do what you wanna do \* Whatever whatever  
whatever you choose \* Everybody wants to tell you  
what to do \* Whatever whatever  
whatever you do \* If you want to get to me you've got  
to get to you
