And so we talked all night about the rest of our lives  
Where we're gonna be when we turn 25  
I keep thinking times will never change  
Keep on thinking things will always be the same

But when we leave this year we won't be coming back  
No more hanging out cause we're on a different track  
And if you got something that you need to say  
You better say it right now ?cause you don't have  
another day

?Cause we're moving on and we can't slow down  
These memories are playing like a film without sound  
And I keep thinking of that night in June  
I didn't know much of love, but it came too soon

And there was me and you, and then we got real glued  
Stay at home talking on the telephone with me  
We'd get so excited, and we'd get so scared  
Laughing at ourselves thinking life's not fair  
And this is how it feels

As we go on, we remember  
All the times we had together  
And as our lives change, come whatever  
We will still be friends forever

So if we get the big jobs and we make the big money  
When we look back now will our jokes still be funny?  
Will we still remember everything we learned in school?  
Still be trying to break every single rule?

Will little brainy Bobby be the stockbroker man?  
Can Heather find a job that won't interfere with her tan?  
I keep, I keep thinking that it's not goodbye  
Keep on thinking it's a time to fly  
And this is how it feels

As we go on, we remember  
All the times we had together  
And as our lives change, come whatever  
We will still be friends forever

La, la, la  
Yeah, yeah, yeah  
La, la, la  
We will still be friends forever

Will we think about tomorrow like we think about now?  
Can we survive it out there?  
Can we make it somehow?  
I guess I thought that this would never end  
And suddenly it's like we're women and men

Will the past be a shadow that will follow us 'round?  
Will these memories fade when I leave this town?  
I keep, I keep thinking that it's not goodbye  
Keep on thinking it's a time to fly

As we go on, we remember  
All the times we had together  
And as our lives change, come whatever  
We will still be friends forever

As we go on, we remember  
All the times we had together  
And as our lives change, come whatever  
We will still be friends forever

As we go on, we remember  
All the times we had together  
And as our lives change, come whatever  
We will still be friends forever
