Imagine a world where the girls, girls rule the earth  
Imagine a world where the boys, boys could give birth  
Would it be better that way? Would it be more fun?  
Would it be ecstasy or a revolution?  
Imagine a world where the girls, girls rule the earth

Girls against boys, boys against the girls  
Girls against boys, who would rule the world?  
Girls against boys, boys against the girls  
Girls against boys, who would rule the world?

Imagine a world where the girls, girls run the show  
Imagine a world where the boys, boys were told, "No"  
Would there be peace on earth? No more guns  
Would it be sexier or mass confusion?  
Imagine a world where the girls, girls rule the earth

Girls against boys, boys against the girls  
Girls against boys, who would rule the world?  
Girls against boys, boys against the girls  
Girls against boys, who would rule the world?

Well, I cook for you and I clean for you  
Two kids for you, in your checkbook  
I'm on slim fast, trying to get slimmer  
But here, you wanna eat Big Macs for dinner

My sneakers got soaked from walking through the  
puddle  
And when we get through, you don't even wanna  
cuddle  
You need to check in when you're hanging with your  
friends  
Trying to be like daddy is a means to an ends

Being a man is hard like maza  
I'ma take you to the 60s and burn my boxers  
Yeah, and burn my boxers

You know what I'm saying?  
Burn my boxers

Imagine a world where the girls, girls rule the earth  
Imagine a world where the boys, boys could give birth  
Would there be rocket-ships, way more fights  
Dress up everyday, more satellites?  
Would Xena be queen? Would there be more  
magazines?  
Topless bars, super-fast cars, 90000 trips to Mars

Girls against boys, boys against the girls  
Girls against boys, who would rule the world?  
Girls against boys, boys against the girls  
Girls against boys, who would rule the world?
