And so we talked all night about the rest of our lives
Where we're gonna be when we turn 25
I keep thinkin' times'll never change
Keep on thinkin' things will always be the same
But when we leave this year we won't be comin' back
No more hangin' out 'cause we're on a different track
And if you got somethin' that you need to say
You better say it right now 'cause we don't have
another day
'Cause we're movin' on and we can't slow down
These memories are playin' like a film without sound
And I keep thinkin' of that night in June
I didn't know much of love but it came too soon
And there was me and you and then we got real blue
we Stay at home talkin' on the telephone
And we would get so excited that we'd get so scared
Laughin' at ourselves thinkin' life's not fair
And this is how it feels

As we go on
We remember
All the times we
Had together
And as our lives change
Come whatever
We will still be
Friends forever

So if we get the big jobs and we make the big money
When we look back now will our jokes still be funny?
Will we still remember everything we learned in school?
Still be tryin' to break every single rule?
Will little brainy Bobby be the stock-broker man?
Can Heather find a job that won't interfere with her tan?
I keep, I keep thinkin' that it's not good-bye
Keep thinkin' it's a time to fly
And this is how it feels

As we go on
We remember
All the times we

Had together
And as our lives change
Come whatever
We will still be
Friends forever

La la la la la la la la
La la la la la la la la
La la la la la la la la
Yeah, yeah, yeah
La la la la la la la la
La la la la la la la la
La la la la la la la la
We will still be
Friends forever

(Music Break)

Will we think about tomorrow like we think about now?
Can we survive it out there, can we make it somehow?
I guess I thought that this would never end
And suddenly it's like we're women and men
Will the past be a shadow that will follow us 'round?
Will these memories fade when I leave this town?
I keep, keep thinkin' that it's not good-bye
I Keep on thinkin' it's a time to fly

As we go on
We remember
All the times we
Had together
And as our lives change
Come whatever
We will still be
Friends forever

As we go on
We remember
All the times we
Had together
And as our lives change
Come whatever
We will still be
Friends forever

As we go on
We remember
All the times we
Had together
And as our lives change
Come whatever

We will still be
Friends forever
