Last night he said  
Oh, baby, I feel so down  
When you turn me off  
When I feel left out  
So I walked out  
Oh, baby, don't care no more  
I know this for sure  
I'm walkin' out that door  
Well, I've been in town for just about 15 minutes now  
And baby, I feel so down  
And I don't know why  
I keep walkin' for miles  
And people they don't understand  
My girlfriends they can't understand  
Your grandsons they won't understand  
On top of this I ain't ever gonna understand  
Last night she said  
Oh, baby, don't feel so down  
When you turn me off  
When I feel left out  
So I turned around  
Oh, baby, gonna be alright  
It was a great big riot  
As I left that night, yeah  
Last night he said  
Oh, baby, I feel so down  
If you turn me off  
When I feel left out  
So I turned around  
Oh, I don't care no more  
I know it's for sure  
I know it's for sure I'm walkin' out that door  
Well, I've been in town for just about 15 minutes now  
And baby, I feel so down  
And I don't know why  
I keep walkin' for miles  
And people they don't understand  
No, girlfriends they don't understand  
And space ships they won't understand  
And me I ain't never gonna understand  
Last night  
Last night

Last night  
It's gonna be alright  
Last night  
Last night  
It's gonna be alright
