Itch

Don't wanna hurt you, baby  
(Hurt you)  
You think you love me but you don't really know me  
Don't wanna hurt you, baby  
(Hurt you)  
Wanna go ride, not a backseat drive  
On me, something inside that you can't provide me

I'm feeling the itch again  
I need to get tricked again  
I'm starting to twitch again  
I feel the itch again  
I'm starting to twitch again  
And I need to get tricked again  
I'm feeling the itch again  
I feel the itch again  
(I-i-itch, i-i-itch)  
(I-i-itch, i-i-itch)

Don't wanna hurt you, baby  
(Hurt you)  
You can hurt me but you can't really hold me  
I know what I do, it's crazy  
(What I do)  
Don't wanna be cold but I'm out of control  
That's true, wish I could but I can't be good

I'm feeling the itch again  
I need to get tricked again  
I'm starting to twitch again  
I feel the itch again  
I'm starting to twitch again  
(Itch again)  
I need to get tricked again  
I'm feeling the itch again  
(Again)  
I feel the itch, I feel the itch again  
(I-i-itch, i-i-itch)  
(I-i-itch, i-i-itch)

'Cause I wanna go down before I feel my heart  
(My heart)  
Don't you know that I get restless  
You can't reach where I'll be scratching  
(So feel the itch again)

(I'm feeling the)  
(I'm feeling the)  
Itch  
(I'm feeling the)  
(I'm feeling the)  
Itch  
(I'm feeling the)  
(I'm feeling the)  
I-i-itch  
(I'm feeling the)  
(I'm feeling the)  
I need, something inside that you can't provide me

I'm feeling the itch again  
I need to get tricked again  
I'm starting to twitch again  
I feel the itch again  
I'm starting to twitch again  
(Itch again)  
I need to get tricked again  
I'm feeling the itch again  
(Again)  
I feel the itch  
(Itch)

I'm feeling the itch again  
(Yeah)  
I need to get tricked again  
(I look at you)  
I'm starting to twitch again  
I feel the itch again  
(Yeah yeah)  
I'm starting to twitch again  
I need to get tricked again  
I'm feeling the itch again  
(I feel the)  
I feel the itch

Yeah yeah, I feel the itch again  
I-i-itch, i-i-itch, i-i-itch, i-i-itch  
I-i-itch, i-i-itch, i-i-itch, i-i-itch
