I'm in the dark, I'd like to read his mind
But I'm frightened of the things I might find
Oh, there must be something he's thinking of
To tear him away, ah hey
When I tell him that I'm falling in love
Why does he say, ah hey

Hush hush, keep it down now
Voices carry
Hush hush, keep it down now
Voices carry

I try so hard not to get upset
Because I know all the trouble I'll get
Oh he tells me tears are something to hide
And something to fear, ah hey
And I try so hard to keep it inside
So no one can hear

Hush hush, keep it down now
Voices carry
Hush hush, keep it down now
Voices carry

Hush hush, keep it down now
Voices carry

He likes me
But only part of the time
He likes me
If he can keep me in line
Hush hush, keep it down now
Voices carry
Hush hush, keep it down now
Voices carry

Hush hush, keep it down now
Voices carry
Hush hush, keep it down now
Voices carry

Hush hush (oh woah), keep it down now (hush hush

darling..)
Voices carry (..she might overhear)
Hush hush (hush hush), keep it down now
Voices carry (voices carry)

Hush hush, keep it down now
(shut up, shut up, shut up, shut up)
Voices carry
(Oh God, can't you..)
Hush hush, keep it down now (keep it down now)
Voices carry (voices carry)

Hush hush, keep it down now
Voices carry (voices carry)
Hush hush, keep it down now
Voices carry
