I was Kansas bound
I was lost and found
As a devil with a heart of gold

Thought I'd see her through it
But the devil made me do it
It's a story I never told

Spent a little time
And never learned to rhyme
I guess I never will
Well I left my love in
Witchita
Now I can't sit still

Went a little like this

Thought I'd see her through it
But the devil made me do it
It's a story I never told

Spent a little time
And never learned to rhyme
I guess I never will

Sang a song
About Witchita
Now I can't sit still
