Gotta find me an angel

To fly away with me

Gotta find me an angel

Who set me free

My heart is without a home

I don't want to be alone

Gotta find me an angel

In my life

Too long have I loved

So unattached within

So much that I learn

That I need somebody so

Still I'll just go on

Hoping that I'll find someone

Gotta find me an angel in my life

I know there must be someone, someone for me

I've lived too long without the love of someone

And there's no misery, like the misery I feel in me

Gotta find me an angel in my life

She'll be there, now don't you worry

Keep looking now just keep looking
