Driving down an endless road
Taking friends or moving alone
Pleasure at the fairground on the way
It's always friends that feel so good
Let's make amends like all good men should
Pleasure at the fairground on the way
Walk around be free and roam
There's always someone leaving alone
Pleasure at the fairground on the way
And I love the thought of coming home to you
Even if I know we can't make it
And I love the thought of giving hope to you
Just a little ray of light shines through
Love can bend and breathe alone
Until the end it finds you a home
Don't care what the people may say
It's always friends that feel so good
Let's make amends like all good men should
Pleasure at the fairground on the way
And I love the thought of coming home to you
Even if I know we can't make it

And I love the thought of giving hope to you

Just a little ray of light shines through
