You've got that look again

The one I hoped I had when I was a lad

Your face is just beaming

Your smile got me boasting, my pulse roller-coastering

Anyway the four winds that blow

They're gonna send me sailing home to you

Or I'll fly with the force of a rainbow

The dream of gold will be waiting in your eyes

You know I'd do most anything you want

Hey I, I try to give you everything you need

I can see that it gets to you

I don't believe in many things

But in you I do

Her faith is amazing

The pain that she goes through contained in the hope  
for you

Your whole world has changed

The years spent before seem more cloudy than blue

In many ways your baby's controlling

When you haven't laid down for days

For the poor no time to be thinking

They're too busy finding ways

You know I'd do most anything you want

Hey I, I try to give you everything you need

I'll see that it gets to you

I don't believe in many things

But in you I do

You know I'd do most anything you want

Everyday I, I try to give you everything you need

We'll always be there for you

I don't believe in many things

But in you I do
