Hillside Avenue, Jamaica Avenue

Was the sign I saw when I suddenly thought

Your health is your life

Why why why was I thinking that

Who's gonna pay when the children start crying

You'll never never get away

Strange how the air that you're breathing is dying

It's gonna get rough, when I get to...

Hillside Avenue, Jamaica Avenue

Was the sign I saw when I suddenly thought

Your health is your life

Keeps you alive

Why why why was I thinking that

When the rich man lies dying in his bed

He'll be thinking of the very words I said

When he's lying there dying in his bed

He'll be thinking of the very words I said

Repeat!

Hillside Avenue, Jamaica Avenue

Was the sign I saw when I suddenly thought

Your health is your life

Keeps you alive
