I've never seen you looking so lovely as you do tonight

I've never seen you shine so bright

mmm-mmm-mmm

I've never seen so many men ask you in you wanted to
dance

looking for a little romance

given half a chance

and I have never seen that dress you're wearing

or the highlights in your hair

they catch your eyes

I have been blinded

Lady in red

is dancing with me (cheek to cheek)

theres nobody here

its just you and me

its where I wanna be

and I hardly know this beauty by my side

I'll never forget the way you look tonight

I've never seen you looking so gorgeous as you did
tonight

I've never seen you shine so bright

you were amazing

I've never seen so many people wanna be there by your
side

and when you turn to me and smile

it took my breath away

I have never had such a feeling

such a feeling of complete and utter love

as I do tonight

Lady in red

is dancing with me cheek to cheek

theres nobody here

its just you and me

its where I wanna be

and I hardly know this beauty by my side

I'll never forget the way you look tonight

I never will forget the way you look tonight

Lady in red

Lady in red

Lady in red

my lady in red

I love you
