looking at yourself in the mirror baby

telling yourself to be up this morning

holding in your hand another mirror baby

one or two lines for confidence

pretty little girls

climb to the top

the raging takes her

down down down

(lonely baby)

eating alligator for dinner baby

a restaurant that made it to the top

smoothies always get to pay for dinner

baby

the food was the last thing you came for

pretty little girls

climb to the top

the raging takes her

down down down

(see them fall)

(you can see them fall down)
