Tell her try her best just to make it quick

Woman tend to the sick

Because there must be something she can do

This heart is broken in two

Tell her it's a case of emergency

There's a patient by the name of Mickey

Night nurse

Only you alone can quench this here thirst

My night nurse, Oh God

Oh the pain is getting worse

I don't want to see no Doc

I need attendance from my nurse around the clock

Because there's no prescription for me

She's the one, the only remedy

My night nurse

Only you alone can quench this here thirst

My night nurse

Oh the pain is getting worse

I'm hurt my love

I don't want to see no Doc

I need attendance from my nurse around the clock

Because there 's no prescription for me

She's the one, the only remedy

Night nurse

Only you alone can quench this here thirst

My night nurse

Oh the pain is getting worse

I'm hurt my love

And I'm sure, no, no doctor got a cure

My night nurse

My night nurse

My night nurse
