Remembering the first time we made love

Remembering the first time we made love

I was just recalling

Sitting here glad as I am

With your photograph, I hold it in my hands

Aching for a vision of you, you're right in front of  
me

Looking at the photograph, and the way you were  
looking at me

Chorus:

I was remembering the first time we made love

I was just recalling

Remembering the first time we made love

Remembering the first time we made love

I was just recalling

Remembering the first time we made love

Sitting here looking at the table

It's like a photograph

There's you and me, fruit, drink, good food

Oh the things we did, the thing we did

>From the shower we took to the very first look

Chorus

You're rich, you're beautiful, you're in love

How wonderful life can be

Just the way that you wanted it to be

Yet I am the colour of the night

Yet I am the colour of the night

If you could only make it right

If you could only make it right

Chorus
