Something deep inside of me

That when it comes it won't bring too much prolong

I don't know how hard it'll be when I suffer

Affection is a start for me, I hope it's gonna move on

This time it's gonna be hard for me, I don't wanna
suffer

I fight it hard when it tears my heart

Oh when I want someone I gotta have someone

And when I come to the conclusion

So scared I don't want to fall

Please don't make me suffer

Please don't make me suffer

Did he break his broken heart for you

Oh no mother, he never loved a single other person

This time it's gonna be hard for me, I don't want to
suffer

I fight it hard when it tears my heart

Oh when I want someone I gotta have someone

And when I come to the conclusion

So scared I don't want to fall

Please don't make me suffer

Please don't make me suffer

I'm not hard enough, I'm not strong enough

Don't make me suffer
