If I could make a wish I think I'd pass

Can't think of anything I need

No cigarettes, no sleep, no light, no sound

Nothing to eat no books to read

Making love with you, has left me peaceful warm inside

What more could I ask

There's nothing left to be desired

Sometimes all I need is the air that I breathe and to
love you

All I need is the air that I breathe yes to love you

Just to have you now

All I need is the air that I breathe you're all I want

Peace came upon me and it breathes in me

Don't sleep silent angel don't you sleep

Sometimes all I need is the air that I breathe and to
love you just to have you now

All I need is the air that I breathe yes to love you

All I need is the air that I breathe you're all I want

Sometimes all I need is the air that I breathe and to
love you

All I need is the air that I breathe yes to love you

All I need is the air that I breathe

Sometimes all I need is the air that I breathe and to
love you

All I need is the air that I breathe yes to love you

All I need is the air that I breathe
