If I could make a wish I think I'd pass
Can't think of anything I need
No cigarettes, no sleep, no light, no sound
Can't think of anything I need
All I need to think of you
Is the air that I breathe
My heart belongs to you
All I need to love you
Is the air that I breathe
I'm just living to love you
All I need to think of you
Is the air that I breathe
My heart belongs to you
All I need to love you
Is the air that I breathe
I'm just living to love you
Peace came upon me and it breathes in me
Don't sleep silent angel don't you sleep
All I do is think about you
Girl I just can't live without you
You know, I love you

All I do is think about you

Girl I just can't live without you

You know, I love you

All I need to think of you

Is the air that I breathe

My heart belongs to you

All I need to love you

Is the air that I breathe

I'm just living to love you
