In the middle of the night

When the time is right

Sexily right

I'm gonna do the right thing

I'm feeling hot

I ain't ever gonna stop

To get what you got

You better take what I bring

I feel it now

Much harder now

More than any old how

Say you feel the pain

Feel I'm getting harder now

(Get off your back four, get on top more)

Feel I'm sinking farther down

(Get off your back four, get on top more)

I told you to stop

You're sleeping out a lot

You told me get lost

Where's your understanding

I feel it now

Much harder than I've ever done now, now

Hey, I'm gonna do the right thing

Feel I'm getting harder now

(Get off your back four, get on top more)

Feel I'm sinking farther down

(Get off your back four, get on top more)

In the middle of the night

When the time is right

Sexily right

I'm gonna do the right thing

I'm on fire now

You know I'm on fire now

You know I told you

That I would never dream of leaving now

If I did it right
