OK, I'm the one who took you for granted

I've made my mistakes, wake up let's not break up

Thrill me - You've got a love so strong

Thrill me - You really turn me on

Thrill me - Wait till tomorrow night

Thrill me - I'm gonna treat you right

You said that I would never let you be alone

How many times have you been on your own

Worked all the days to find the things you try to do

If only my heart would never let you through

Because you

Thrill me - You've got a love so strong

Thrill me - You just can't do me wrong

Thrill me - Wait till tomorrow night

Thrill me - I'm gonna treat you right

The truth is you've gone and left me on my own

How can I face the fact you're really gone

Love was a phase we'd have to pray to make it true

If only my heart would've never let you through

Because you

Thrill me - You've got a love so strong

Thrill me - You really turn me on

Thrill me - Wait till tomorrow night

Thrill me - I'm gonna treat you right
